MORE ABOUT US

In the past 15 years Jason Bacci has made his name synonymous with precision service and delicious food. Through these years he has become the "go to" person for celebrity and political events that range from business to personal. It is known that when Jason takes an event of yours on, you need not do anything else with the function except take the credit. If you give your trust to Jason once, you will never need to do it again.

A Little More About Jason:

- *Education* Attended Delaware Valley High School and St. Joseph's University studying the food marketing program.
- *Experience* Jason served honorably as a United States Marine and received extensive combat training at Parris Island, SC. During his tour of duty he served as a culinary expert. Outside of the military, Jason has spent years working with reputable restaurant and food service corporations such as Aramark, Ruth's Chris Steak House, Steak & Ale, Bay Street, Bugaboo Creek Steak House and even a pizza shop in high school.
- *Personal Life* Jason currently resides outside of Philadelphia with his lovely wife Kimberly and their beautiful daughter Erika.
